PROFESSIONAL SUMMARY

Computer Science and Engineering graduate specializing in Artificial Intelligence from Techno India University (Kolkata), currently based in Bangalore. Strong foundation in Python, Object Oriented Programming, and web development. Gained practical industry experience at SeeUp Tech, contributing to the development and deployment of a live eCommerce platform using WordPress. Passionate to continuous learning and enhancing technical skills.

EDUCATION

Qualification	Specialization	Institute	Year	Score
B. Tech	CSE (AI)	Techno India University	2026	7.42 CGPA
Higher Secondary	Science (PCM)	Harindanga High School	2022	89.00%

TECHNICAL SKILLS

Languages : Python, MySQL, Machine Learning.
Web Technologies : MERN Stack.
Al & Data Science : NumPy, Pandas, Scikit Leaarn, Matplotlib.
Tools : Git, GitHub.
Fundamentals : DSA, OOPs.

EXPERIENCE

WordPress Developer Intern | SeeUp Tech, (Sep 2024 - Nov 2024, Kolkata)
Tech Stack : WordPress, WooCommerce, HTML/CSS.
Designed and deployed a fully functional e-commerce website. Optimized website performance and integrated payment gateways.

PROJECTS

Smart Conveyor Belt Monitoring System (Website: https://smart-conveyor-system.streamlit.app/)
Tech Stack : Python, YOLO, loT, Streamlit.
Developing a real time smart monitoring system in Streamlitwith AI to detect product information. Implemented YOLO based object detection to automate quality inspection.

voidememo Vault (Website: https://voidmemo.streamlit.app/)
Tech Stack : Python, Streamlit, MongoDB, TensorFlow, Cloudinary.
Developing a secure, AI powered digital media vault for private storage and sharing. Utilized Streamlit for the frontend, MongoDB for data management, and integrated Ai.

Study Era (Website: https://mini-frontend-green.vercel.app/)
Tech Stack : MERN Stack, JWT Authentication, MongoDB, Cloudinary.
Developed a collaborative resource-sharing platform for students. Implemented secure user authentication and document management.

CERTIFICATIONS & ACHIEVEMENTS

WordPress Internship Certificate SeeUp Tech : **View Certificate**
MERN Stack Course Certificate Apna Collage : **View Certificate**
Industrial Intership Certificate Ardent Computech PVT LTD : **View Certificate**

STRENGTHS & INTERESTS

Strong analytical and problem solving skills with focus on AI and automation.
